FEELINGS OF THANKFULNESS & GRATITUDE FROM MOUNT OLIVET CEMETERY

THANK YOU, J. WILLIAM WAREHIME FOUNDATION

We are delighted to announce that the J. William Warehime Foundation has graciously awarded a grant to Mount Olivet Cemetery for the complete repair of all of our roads in the cemetery.

Words cannot express how grateful we are to the Foundation and the Warehime family. We are amazed and astounded at this very generous grant. Being able to repair all of the roads was a dream that would have taken years to achieve. With the Warehime Foundation grant, this dream will become a reality over the course of one year. **Thank you once more to the J. William Warehime Foundation for your incredible gift!**

PLANNING YOUR LEGACY

It's a misconception that only the very wealthy leave gifts to charity when they pass away. The reality is anyone can leave a gift. All donations, even a small one, can make a significant difference in the preservation of this historic place. Create a personal legacy by including Mount Olivet Cemetery in your estate plans. Call us at 717-637-5294 for more information.

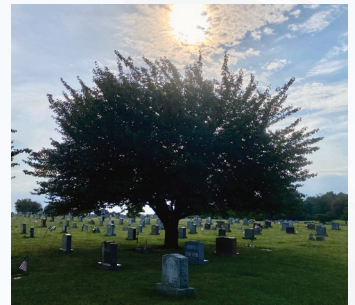

CONTINUED CARE OF THE CEMETERY

In 2024, you, our supporters, donated a generous amount toward our Road Repair Project. With a portion of these funds, we were able to remove five dangerous trees that had encroached on the roads over several decades. These trees were also a threat to our historic monuments and our visitors. They were evaluated by a trusted, local tree-trimming professional and were found to be dead and in need of removal.

Several more trees will have to be removed, and more than 30 trees are in dire need of trimming. **We believe the trees are important, and we do intend to plant more trees safely away from the roads and monuments in the near future.** We will share more about that project soon.

If you'd like to contribute to the continued conservation of the cemetery, please consider making a gift of any amount below or at mtolivethanover.org. Your kindness and generosity mean more than words can say!
